

P-Lace project from the Kantcentrum - see page 2 for directions

Working diagram:

The Lace Center engages that during this year **all these strips of lace will be exposed**. All participants will be informed later about this exhibition.

If you want to participate, please send your personal strip(s) to the Lace Centre. You can also mail us a picture of your personal creation. And please, give us the permission to post it on our FB-page.

our ask by [email](#)

The width of your pattern should be 6 to 7 cm at most. Its length is unlimited. The points of the pricking should be 4 mm from one another. For this purpose these 4 kinds of threads are ideal: [linen 80/2](#), [EGK 36/2](#), [DMC n° 80](#) and [Fil au Chinois](#). They are all available on the Lace Centre's Webshop.

Let's start working! We wish you good luck! If there are any questions, please contact the Lace Centre info@kantcentrum.eu.

We kindly ask you to spread this message to other non subscribed Lace enthusiasts. Thanks!
